

Living in a loft

The rustic loft style is back! Untreated materials, sturdy items of furniture, roughened walls, and high ceilings – these are the core features that make up an industrial look. Selected accessories, cool industrial-style furniture, leather chairs, and solid clockworks make the look complete.

New Industry

Inspiration: Living in a loft

Style: Industrial and robust

Materials: Metal, leather, glass

Key pieces: Clockworks, metal lockers, spools
